

WASHINGTON TOWNSHIP PUBLIC SCHOOLS

FINGERPRINTING PROGRAM PERMISSION SLIP

2019 – 20

FOR GRADES 1 – 5

This is an OPTIONAL community service.

If you have had your child fingerprinted elsewhere, you do not need to have them reprinted as fingerprints do not change with age/growth. This service is done by the Gloucester County Sheriff's Office at the school during regular school hours. The prints are sent home with the child for you to keep; the school does not keep copies.
